

A: Of course we talked about that. The guy had six picks as a junior. He didn't have any this year. So you are thinking, nfl jersey display case, "Why, create your own nfl jersey, authentic nhl jersey, what is going on?" So that is something that we talked about. He was in position a lot §C he just didn't finish on the ball as much this year as he did in the past. But we don't see that as being a concern. Because the guy has natural hands and he can play the ball. So we don't think that is a problem.

A: Yeah, nike nfl cleats, oh yeah. He has the mindset for it. And that is the number one thing that college players – ?-?-?-but don't do it. This guy has done it. And he has the mindset to do it.

A: They don't tell you the player when they call about trades. They never say, nfl eagles jersey, "Hey, new nfl jersey, we are trying to get this guy, georgia tech football jersey, do you want to trade." They just come with, "We will trade you this for that." So we don't know who they want.

A: (Revis) is one of the best corners in the League. It is unfair to do that to him. But if he turns out to be half as good as that guy, nike nfl jersey, that would be great.

A: Yes.

Q: You have three high picks back there now. Do you feel you can't have enough cornerbacks?

A: 4.4's.

A: No, it was pretty much a consensus. But you don't want to just throw the name in right away. You want to just kind of wait and let everything settle down and make sure that everybody is still on the same page.

A: Yeah, he is not very — the guy has 30 ? arms or something like that. They may have knocked him on that. But we didn't. I don't know §C I don't know why other teams passed on him. He just might not have been a fit.

Q: Do you think he can start?

A: We kind of started really getting in depth talking about guys about 7 or 8 picks ahead of time. And he was still up there §C we just kind of go over again. But you just assume §C I just assumed that somebody would have taken him. With each pick you kind of put him in the back of your mind. You are talking about him but at the same time, nike nfl uniform, "Well, nhl jerseys for cheap, nfl home jersey, he is going to get picked." We kept getting closer and closer and he was there.

Q: Why do you think he fell?

Q: Who would you compare him to?

Extra point: Other teams probably weren't "shocked" because Amukamara didn't have an interception in his senior season. Do you accept the Giants' philosophy of "best player available" over need? Or do you think they should have selected an offensive lineman or a linebacker in the first two days?

A: Nobody. Usually when I watch players I write in my notes that he is similar to this guy. There is nobody that jumps out at me that I could really compare him to strongly. He is kind of unique in that a guy with this size §C and he is fast, fast §C he is strong and plays with great instinct. And he has tossed the guys in the gunner on special teams clean off the field. And he is kind of unique.

Q: Do you think people thought his arms weren't long enough?

Q: Were you surprised to see Prince there?

Q: What was his 40 time?

A: Pass rushers and corners §C you can never have enough. Because you always have to go with the best player §C if you take the best player, they will play. You can't force things. When you try to force things and jump over guys, 2012 new nfl jerseys, university of maryland football jersey, that is when you get burned. When you pick the best player, hockey jerseys direct, scotland football jersey, they will find a way on the field. And it just adds depth. It brings competitiveness to the group. You can never have enough.

Q: Isn't that a low career interception number for a guy who started that many games?

Q: Was that the delay, sweden hockey jersey, wholesale NCAA Jerseys, or was there discussion regarding Prince?

Q: Any concerns with the dip from his junior year to his senior year?

Q: RE: Comparison to Darrelle Revis.

Q: But you did get calls?

A: We don't think so. You have to look at the circumstances. Stats §C you can make them any way you want to make them. And stats wise ?-?.and you have to watch the tape and see what the circumstances are. Some guys will have four picks and they are just standing there and it falls into their laps. So you have to watch and evaluate how they come about.

Q: At what point did you start thinking that you really had a chance to get him?

A: It was a shock. It was a shock. It was a shock. I know we come in and say, nfl replica jersey, nfl jerseys for 2012, "We picked the best player, nfl online store, and we were surprised." This one truly was a shock. Because you go through scenarios leading up to the draft where you kind of have realistic scenarios, football jersey maker, somewhat unrealistic scenarios, alabama football jersey, of what could happen. And this one was just completely out of left field. We never thought this kid would have been still on the board at 19.

Other teams weren't necessarily surprised that Nebraska cornerback Prince Amukamara was dropping on the draft board Thursday — some of those teams were the ones passing on him. But the Giants weren't just surprised; they were stunned. Or shocked might be a better word — see the transcript below, as provided by the Giants.

A: I think that run on quarterbacks really pushed some good players down. And we had talked about that leading up to it §C just that teams are going to start going after these quarterbacks. And that is what was happening. The kid is a great kid. He is big; he is fast. He has never been in any trouble, youth football jerseys, which for a corner is rare. So it was really surprising.

Q: Did you field calls when it was your pick?

The Buffalo Bills gambled when they snagged outside linebacker Shawne Merriman off waivers three weeks ago.

It appears the Bills are coming to the realization that, in gambling parlance, nfl nike, nfl jersey shop, they're holding a 16 against the dealer's ace.

MerrimanHead coach Chan Gailey revealed Merriman, toddler hockey jersey, who hurt himself minutes into his first Bills practice, new nike nfl, probably won't work out with his teammates this week or play Sunday against the Pittsburgh Steelers in Ralph Wilson Stadium.

"I don't see that,cheap authentic nfl jerseys, no,nike new nfl uniforms," Gailey said Monday of whether Merriman would return to practice. "I don't see that this week."

Gailey was asked how confident he was Merriman could play at all this year.

"I'm not,cheap mlb jerseys," Gailey said. "There's got to be something that gives me confidence. Nobody has said 'OK,customize your own football jersey, you can expect him in two weeks.' Nobody has said that yet."

When the Bills picked up Merriman, they committed to picking up the pro-rated remainder of his one-year \$3.27 million San Diego Chargers contract in hopes of rejuvenating a 26-year-old with 43.5 sacks, but a mammoth medical chart.

Looks like the Bills have lit that money on fire.

The Bills didn't have much chance of making the Merriman move pay off beyond this year. If they liked what they saw, then they still would've needed to franchise him (guarantee him about \$10 million for next season) or convince him to skip unrestricted free agency and stay in Buffalo. Merriman already knew the Tampa Bay Buccaneers and Miami Dolphins were interested because they put in waiver claims, too.

Another thought: Despite wasting seven figures on Merriman, the Bills might be better off without him on the field at this point.

They are 2-1 and have won back-to-back games since they obtained Merriman. With such little chance of him being around in 2011,nhl replica jersey,nfl jerseys authentic, whatever jolt a mercenary might give the defense over the final five or four or two games can't be as valuable as whatever team building is happening at One Bills Drive right now.

Like hitting on 16,nike 2012 nfl,throwback hockey jerseys, this decision has bust written all over it.
